Independent Auditor's Review Report on Quarterly Unaudited Financial Results of the Company pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To The Board of Directors of JCT Limited,

- 1. We have reviewed the accompanying Statement of **Unaudited Financial Results** (the 'Statement') of **JCT Limited** (the 'Company') for the quarter and nine months ended December 31, 2021. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial results based on our review.
- 2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
- 3. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement of Unaudited Financial Results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

- A.1 The above results have been reviewed by the Audit Committee of the Board and subsequently approved by the Board of Directors at their respective meetings held on February 14, 2022.
- A.2 These financial results have been prepared in accordance with the Indian Accounting Standards (Ind AS) as prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time.
- A.3.1 The Company had taken the secured loans of Rs. 9,945.00 lakhs from Assets Reconstruction Companies (the 'lenders'). In terms of the loan agreements, the Company was required to issue Equity Shares in lieu of additional interest (other than and in addition to the normal interest) of Rs. 759.10 lakhs, computed on Net Present Value basis (NPV) on these loans subject to statutory approvals. Accordingly, the Company had sought in-principle approval for allotment of Equity Shares as per SEBI (ICDR) regulations, under the category of consideration other than cash, from Bombay Stock Exchange (BSE). However, the BSE considering that these shares are to be issued on NPV for the interest of the future period did not agree to the contention of the Company to issue the shares under this category. The Company then approached the Securities and Exchange Board of India (SEBI), and as SEBI also rejected the plea of the Company, the Company filed an appeal before the Hon'ble Securities Tribunal, Mumbai, where the matter was decided in favour of the Company, however, against the said order the appeal was field by BSE in the Hon'ble Supreme Court of India, which was dismissed by the Hon'ble Court on February 4, 2021, and the matter was finally decided in favor of the Company. Thereafter the Company filed the application with BSE for the grant of in-principle approval for issue of the Equity Shares and after getting the approval on April 27, 2021, the Company had since allotted 2,99,06,026 Equity Shares having face value of Rs. 2.50 each, aggregating to Rs. 747.65 lakhs on May 5, 2021 (after deducting the applicable Tax at Source of Rs. 11.45 lakhs) towards the final settlement of the additional interest of Rs. 759.10 lakhs as per the agreement with the lenders.
- A.3.2 The said interest against which the equity shares have been allotted was not provided in the earlier year/ period with the understanding that the same will be accounted for in the period, the matter is finally decided / resolved. Accordingly after the equity shares have been allotted, the Company has provided the interest of Rs. 759.10 lakhs from earlier year onwards from the initial period of the term loan, and amount of Rs. 396.36 lakhs (net of Rs. 118.79 lakhs provided in an earlier year) was provided in the previous year 2020-21 as interest from the date of grant of term loan till March 31, 2021, and amount of Rs. 21.53 lakhs and Rs. 64.59 lakhs has been provided during the quarter and nine months ended December 31, 2021 respectively (Rs. 21.53 lakhs and Rs. 43.06 lakhs during the quarter and half year ended September 30, 2021 respectively) and balance amount of Rs. 179.36 lakhs shall be provided over the remaining period of the term loan.
- A.4 Accumulated losses have resulted in erosion of substantial net worth of the Company, and financial crunch being faced by the Company, and defaults in the repayment of loans to the Assets Reconstruction Companies. However, the Company is making efforts to improve its financial performance by change of product mix to ensure the increased manufacturing of the high margin products and also by rationalizing its production, man power and other cost / overheads etc. Further, to improve its liquidity / cash flow, and to revive its financial position by reducing its debts, the Company has disposed off some of its non-core properties and is in the process of disposing off some other such properties, and for one of which agreement to sale has been entered and advance received, and the deal is likely to be concluded shortly. Considering the same, and the future profitability and cash flow projections and the continued support of its promoters, lenders, business associates and workmen, the management is hopeful of further improvement in its financial position / performance, and accordingly the financial results have been prepared on a going concern basis.
- A.5 The Company has considered the possible effects that may result from the COVID-19 pandemic in the preparation of these financial results and in assessing the carrying value of property, plant and equipment, and other financial and non-financial assets using the various internal and external information. Based on this evaluation, the Company expects to recover the carrying amount of these assets and does not anticipate any impairment to these financial and non-financial assets as at the date of approval of these financial results. However, the impact assessment of COVID-19 is a continuing process given the uncertainties associated with its nature and duration, and therefore, the Company will continue to monitor any material changes in future economic and business conditions, and the impact thereof, if any, required will be taken accordingly.
- A.6 The figures of the previous quarter/period's/year have been regrouped/reclassified, wherever necessary, to confirm to current quarter's/period's classification.
